

MID ATLANTIC CLUB MEETING
WEDNESDAY, February 3, 2016
ANNUAL SOUP, SALAD AND BREAD NIGHT
MINUTES

Meeting called to order at 6:30 by President Diane Rich

Fabulous Hubcaps Fundraiser - Diane reported that after expenses, the club is able to donate \$8,147 to Combat Veterans to Careers. This amount exceeded our goal of \$5,000. It would have been great to do the presentation at this meeting; however, David Booth, CEO of CVC, is in DC tonight testifying in front of a congressional hearing on behalf of veterans. He will also be attending to veterans affairs and not be able to attend the March 2 meeting. April is too far removed from the fundraiser so a check will be presented to David this Friday at the Parady office.

Members can still pay their 2016 dues. The committee is developing a policy for paying dues that will take effect in 2017.

March is Casino night and will be limited to 200 people. A sign-up sheet was passed around so we can have an estimate of how many plan to participate in this event. If need be members will be given first priority.

Members signed up for the July 4th Barbara Lee Paddle boat excursion. Cost per person is \$80 and includes bus fare, driver tip, dinner, dancing and a fireworks display.

After the business meeting, members enjoyed a variety of delicious soups and salads. After they had eaten each table played Left Center Right.

The 50/50 was drawn and 3 people went home a little richer than when they came.

Meeting adjourned at 8:40 pm.

Next meeting – March 2
