Club Name Change:

Several months ago, we were informed of an intent to form another club for ex or current Maryland residents that now reside in The Villages. Several members of the planning committee attended a meeting at the Captiva Recreation Center regarding the formation of this new Maryland Club. There were also some current members of the Mid-Atlantic Club in attendance. I believe we all came away with the impression that the club formation was in the very, very early stages and had a long way to go before a new club would become a reality. We also became aware that the great majority of attendees were not current members of the Mid-Atlantic Club and indeed, were not aware that the Mid-Atlantic Club existed.

During that meeting, Diane Rich, informed the attendees of the 30 year history of the club.

Since then, we have met with the chairwoman of that meeting, Sue Goges, to discuss possibly forming a subsidiary of the Mid-Atlantic Club in the southern communities of The Villages. Those discussions are now on-going.

As a result of that meeting and those discussions and to go back to the roots of our club, the planning committee has decided that a name change should be forthcoming. The name we are presenting to the club is the Maryland & Mid-Atlantic States Club. We then took a vote and the majority agreed to the name change.

Tonight's entertainment is Mike Palma, comedian, magician and ventriloquist.

Then we had the 50/50 drawing and the meeting was adjourned.
